

Simplify your life
and save time
by setting up a
Direct Debit

- Avoid unnecessary paperwork with monthly payments by setting up a Direct Debit.
- Don't be concerned about sending off your cheques each month, Direct Debit will help to avoid late payment charges if you're away when your statement arrives.
- There's peace of mind knowing your bill is paid automatically so you remain in control at all times. Your monthly payment is debited from your account 14 days after your statement is issued, which gives you plenty of time to raise any queries you may have.

Simply fill in the form and post it back to the address at the top of the form.
